

Directions to the Oxford Centre for Human Brain Activity (OHBA)

Address:

Oxford Centre for Human Brain Activity (OHBA)
 Warneford Hospital
 Headington, Oxford, OX3 7JX

Tel: 01865 618184

The Oxford Centre for Human Brain Activity (OHBA) is located at the Warneford Hospital in Headington, Oxford. The map shows the location of the main OHBA building on the Warneford site.

Driving: Enter the hospital site from Roosevelt Drive. Keep following the road round to the left past the main hospital building and continue to the far end of the hospital site (the red line). OHBA is the large two storey yellow building on your left at the end of the road.

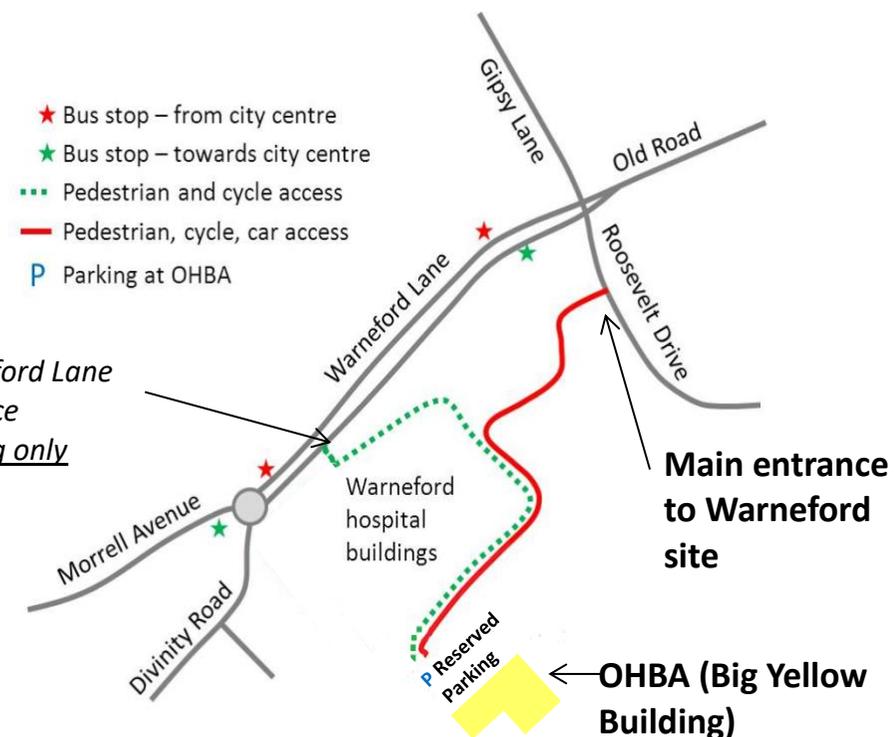

Walking: *Via the Roosevelt Drive entrance* – follow the directions above as for driving (the red line)

Via the Warneford Lane entrance – Enter through the gap in the wall. Turn left and follow signs for Main Reception. Continue past the hospital main entrance on your right and follow the road round to the right, walking past Warneford Meadow on your left. You will be able to see the OHBA building (yellow) up ahead. Continue past the carpark and purple building on your left to the main entrance of the OHBA building.

Bus: Local bus services that stop near the Roosevelt Drive/Warneford Lane entrances to the Warneford site are the City 4, 4A, 4B & 4C and Oxford Brookes Bus U5. See www.oxfordbus.co.uk for information.

Train: The closest station is Oxford. There is a taxi rank outside the main exit. There is also a stop for the City 4, 4A, 4B & 4C buses
