

Pain Pump Priming (P³) Award application

Before submitting the application, please read the associated guidance carefully, check for consistency with the call and ensure that the timelines for the project and the generation of the subsequent report can be met.

Once the application form is completed, please save as a pdf, include your surname in the title of the document (e.g., SMITH_BRC_P3_Award) and e-mail to Dr Katja Wiech katja.wiech@ndcn.ox.ac.uk.

Deadline: 17:00 on 21/09/2023

[1] PERSONAL DATA

[1.1] Principal Applicant(s)

Name, title, affiliation and contact e-mail address.

[1.2] Collaborator(s)

Please list all the co-participants in the application (if any), specifying any affiliation and contact email address.

[1.3] BRC Research areas

Please indicate which topic of the OH-BRC *Pain* Theme is aligned most closely with the project:

- Understanding the link between sleep and pain.*
- Cognitive behavioural therapy, physical therapy or occupational therapy for pain, and related areas*
- Opioid use in chronic pain*
- The use of technologies to measure or treat chronic pain.*
- The application of databases and data science approaches to chronic pain.*

[2] PROJECT DATA

[2.1] Project Title

[2.2] Project Summary

Short abstract of the project. (Max. 150 words).

[2.3] Scientific background

Please provide a short rationale for the project. (Max. 300 words)

[2.4] Aims and Objectives

(Max. 200 words)

[2.5] Plan of Investigation

(Max. 500 words)

[2.6] Impact

Please describe the predicted impact of your application if it were to be funded. (Max. 200 words)

[2.7] Ethics approval

Please indicate whether the proposed activity requires ethical approval and, if so, whether this is in place, or expected to be in place at the start date.

[2.8] Total funds requested

Amount in £. Please read the guidance about the amount of funding available for each application.

[2.9] How will the funds be used?

Please provide a detailed list of costs for the project. Please specify how the funds will be used indicating clearly if they are for consumables or salary. If any salary funding is requested, you must clearly specify the timing for these funds to be used.

[2.10] Timelines for the use of the funds

Please indicate a START and END date for when the funds will be used (if awarded). NOTE: A project report will need to be generated by any successful recipient of an award. Funds must be used by 31/3/2024 (Max. 100 words)

[2.11] Proposed outputs and deliverables following project completion, please indicate how this project is anticipated to enable future grant applications

Please describe the anticipated outputs and deliverable resulting from the award and provide a timeline (e.g., submitted grant application/manuscript submission...) (Max. 100 words)
